Dedication

"If I were going to be a teacher, I would want to be like Mrs. Shelden."

THIS STATEMENT, made by an Edmond High School student, expresses the feeling of appreciation, admiration, and friendship that students and graduates of this high school have for Mrs. Pearl Shelden.

Always ready to give generously of time and effort, Mrs. Shelden, who has taught in Edmond Public Schools for twelve years, has sponsored classes, the student council, and the annual in addition to her regular teaching of commercial classes. However, she has never been too busy to help an individual or direct another activity, whether it be in school or social life.

In appreciation for the unselfish attention she has given Edmond High School through her many interests, we of the 1948 Bulldog staff wish to dedicate this annual to Mrs. Pearl Shelden.

JEFFRIES HALL

WITH A seating capacity of three hundred and excellent athletic equipment, Jeffries Hall is the scene of many athletic events. This building, which was erected in 1930, was named for O. W. Jeffries, who was at that time a member of the school board.

Four coaches instruct physical education classes for both boys and girls.

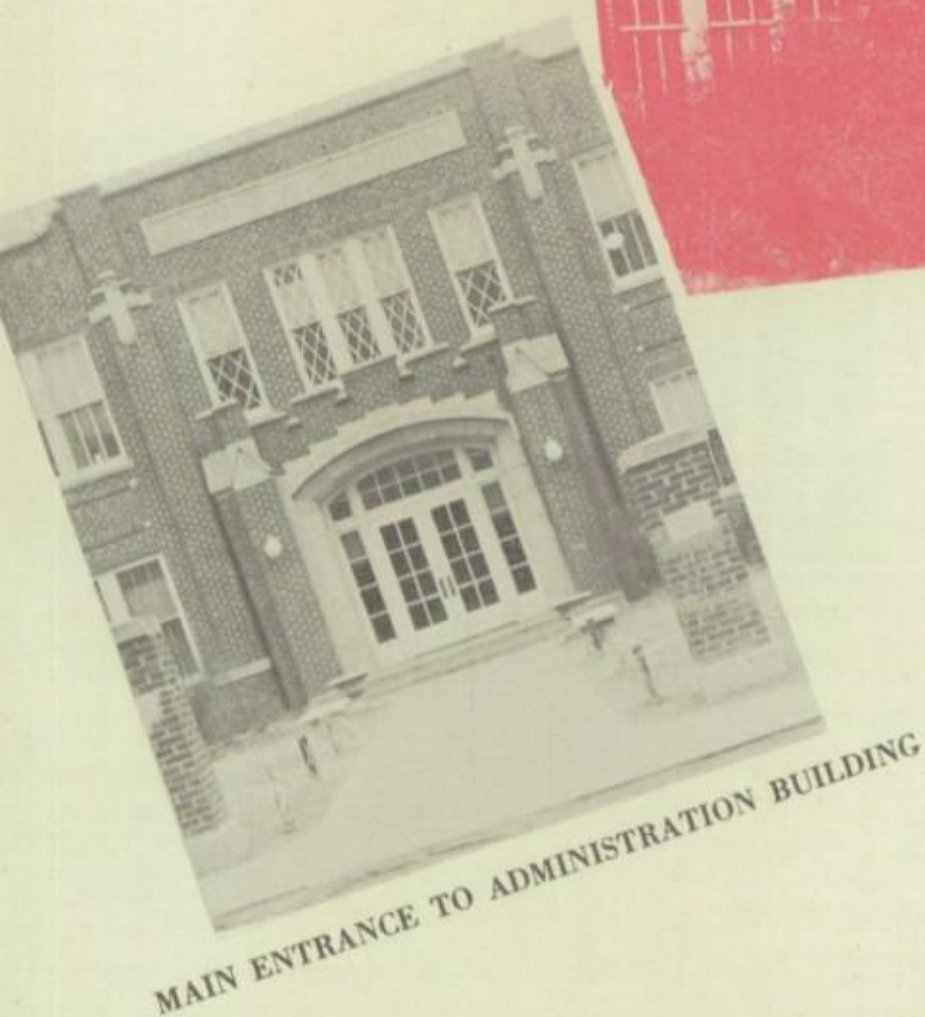

MAIN ENTRANCE TO JEFFRIES HALL

THE HOME ECONOMICS cottage was erected in 1939. This building, which has all the conveniences of a modern home, houses home economics classes and the offices of the superintendent, his secretary, and the board of education. Most of Edmond High School's social activities are held in the large reception hall.

ADMINISTRATION BUILDING

"BIG CITY"

Edmond High School

GROWTH of Edmond High School is evidenced by the Administration building which, since its construction in 1924, has been constantly improved by gifts from graduating classes.

This year the principal's office was completely redecorated, a faculty lounge was added, and new lighting facilities were installed.

Besides the fifteen class rooms, this structure also houses the auditorium.

City Planning Commission

Mrs. William B. Tallant

THE BOARD OF EDUCATION is an unpaid but important servant of the public. Much time and thought are given by it to the educational needs of the community. Regular monthly meetings are held and many special meetings are attended. Perhaps the most important function of the Board of Education is its selection of a superintendent of schools, who serves as its executive officer. Working with and through the superintendent the Board of Education elects all employees. It adopts courses of study, purchases supplies, acquires school sites, erects buildings, submits budgetary needs to County Excise Board and makes rules and regulations for the management of the schools. It also acts as a judiciary body in evaluating the results of the educational program carried out by the superintendent and his staff.

Officers of the Edmond Board of Education are Fred E. Kirkland, president, and F. E. Harper, vice-president. Other members are: Joe D. Hurt, Clyde Smith and Neal Fisher. Mrs. William B. Tallant, who is secretary to the superintendent, is clerk of the board.

MAYOR

Although this is his first year at Edmond High School, Dr. Merle W. Glasgow, who came here after serving eleven years at Bartlesville, has become very popular as superintendent of schools. With his friendly smile and willingness to help, he has wrought numerous improvements in the Edmond Public schools.

Dr. Glasgow received his A.B. degree in Business Administration from the University of Michigan. He received both his E.D.M. degree in School of Administration and his E.D.D. degree from Oklahoma University. Dr. Glasgow has also done graduate work at the University of Oregon.

CITY MANAGER

"You're wanted in Mr. Pippin's office."

In any other school a call to the office might mean trouble, but in Edmond High School it means friendly help and advice.

Since coming to Edmond in 1944 after serving at Kingfisher for 17 years, B. C. Pippin has made an enviable reputation as a friend of the students and a progressive town and school leader.

Mr. Pippin received his B.S. degree from Central State College and his M.S. Degree from Oklahoma University. As a prominent member of the Central district of the Oklahoma Educational Association, Mr. Pippin has served on the state executive board six years.

WE, the citizens of precinct one
Now look back on four years of
work and fun.

We now have to find in daily life
The same love, laughter, work and
strife

That have been put forth both day
and night,

(To make all our high school years
just right)

By our sponsor, teachers, parents,
and Okie, too

To help our school life all the
years through.

For maroon and gray our Bulldogs fight
While Bow Wows cheer with gay delight.

But while our athletes go out for all sports
They keep up with lessons of all sorts.

Our class projects have been many,
And these are just a few:

Christmas cards, follies, kings and queens,
and taking census, too.

So with this much behind us and a
memory of faces,

We look forward to much success and going
to many places.

"BIG CITY" COUNCIL

THE STUDENT COUNCIL of Edmond High School, which is elected annually by the student body, sponsors many projects. The most important one this year is the yearbook which is made possible by many outside activities such as, Mardi Gras Ball, Negro Minstrel, Faculty Basketball Game, and others.

In addition to these projects the Council seeks to promote a better understanding between the student body and the faculty.

The Student Council, in short, is the organization by which the pupils and teachers work together to build an increasingly better Edmond High School.

"Big City" Prom

THE ANNUAL JUNIOR-SENIOR PROM was held May 1 in the Home Economics cottage.

For this gala affair the ballroom was transformed into a colorful garden with a Maypole as the center of attraction.

Entertainment for the evening was presented by the underclassmen. The music was furnished by the Classen orchestra.

The sponsor, Miss Mary Mahood, and president of the junior class, Marilyn Fisher, with their committees, made careful preparations for everything from the Grand March to the last dance in order to give the seniors a night to remember at the Maytime Prom.

Lettermen's Club

To PROMOTE better sportsmanship, finer qualities in athletics, and physical being for the individual himself, the Lettermen's club of Edmond High School was organized in 1931-32.

The club was reorganized last year after having been disbanded since 1936. Although it has not been active this term, the more than twenty-two members have continued to uphold the club's purposes.

To be eligible for membership boys must earn at least one letter in any of the high school's five major sports: football, basketball, wrestling, baseball, and track.

Debaters

Tim Howell, Audrie Shaver, Mary Esther Hayhurst, Bob Rudkin, Miss Mary Mahood, Mary Allen, Roy Fisher, C. H. Spearman.

EDMOND HIGH School's debate teams were this year an important and successful part of the speech department.

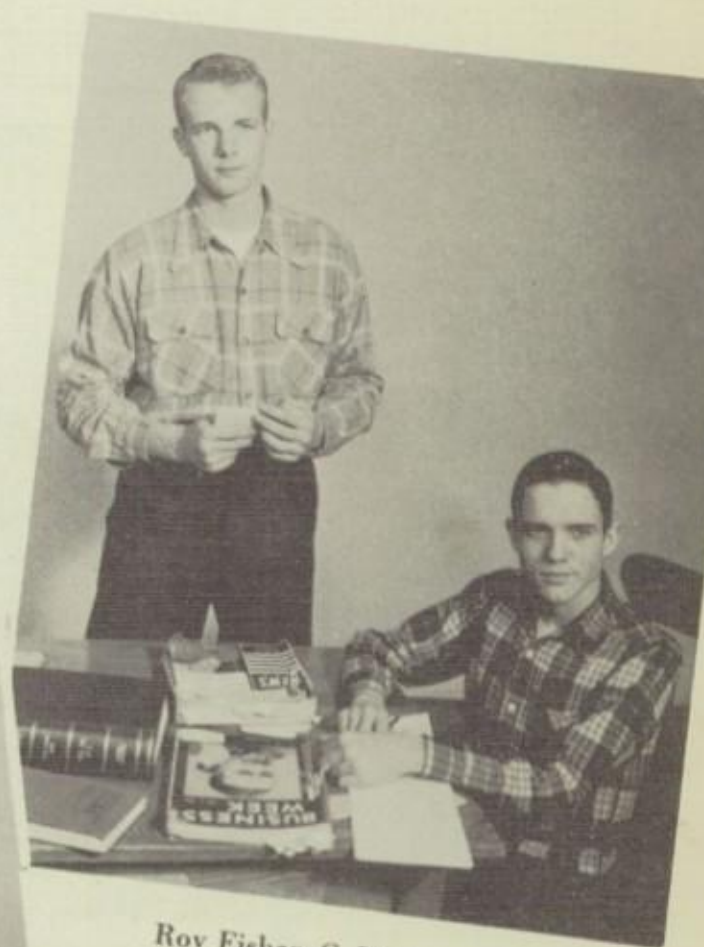

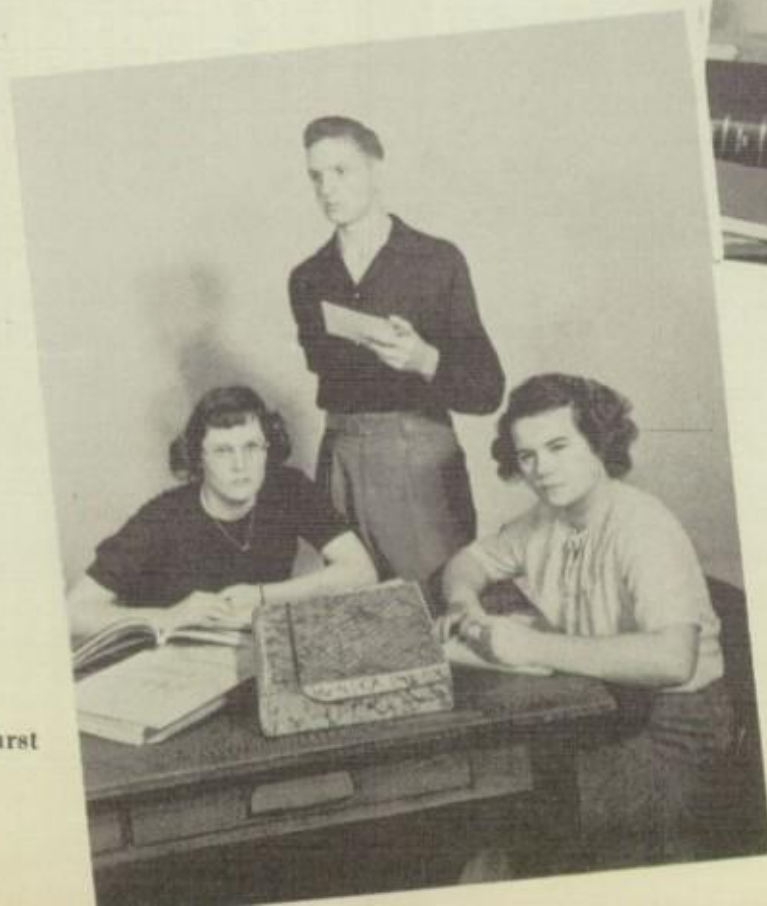

Coached by Miss Mary Mahood these teams exchanged practice debates with other highschool groups and attended tournaments at Classen High School and Central State College. At the time this annual went to press, one of the teams, Roy Fisher and C. H. Spearman, was preparing to enter the state tournament after winning a first place trophy in the Central College competition.

The question of the year was: Resolved, That the federal government should require arbitration of labor disputes in all basic American industries. Teams were prepared to debate both pro and con.

The Edmond teams won nine out of eleven debates.

Disk Jockeys

RADIO STATION KOMA sponsored a series of weekly disk jockey programs for the 1947-48 school year for high schools of the state.

At the end of this series the winning disk jockey was given a summer contract with the radio station for a broadcast of his own.

Edmond was invited to participate; and the student council by means of a wire recorder, conducted a contest to select Edmond High School's representative.

Rex Williams was chosen to give two of the programs, and C. H. Spearman, one.

OKIE RADER has been with Edmond High School since 1937, and since then he has worked himself into the heart of every student here.

No matter how busy he is, Okie is always ready to give a helping hand and a friendly smile.

In addition to participating in school programs during the year they have appeared on numerous programs for civic and religious groups.

The two main events of the year were the annual concert and the three day trip to Enid. The vocalists work hard for all of them, but their main interest lies in the trip to Enid—three days out of school, the stay in the hotel, the carnival, and of course, the singing.

These groups appeared in concert in the high school auditorium in May.

EDMOND HIGH SCHOOL band, by various money-making projects and with the help of the Band Mothers and the entire city of Edmond, this year completed the purchase of new uniforms for all its members.

Under the direction of Professor E. B. Moore, the band, which was organized in 1938, is continually striving to win new honors. At the spring contest this organization yearly is awarded high ratings.

To maintain these high standards tryouts are conducted, and members advance according to their ability.

Each year a coronation concert is presented and the new queen, who is elected by the student body, is crowned. The Coronation Concert was held April 8 in the Edmond High School Auditorium.

During the summer months the band performs at weekly concerts.
